

Kuroshio Science Vol. 11 No. 1 (October 2017)

CONTENTS

Foreword	Arnulfo M. Mascariñas	1
Opening Remarks & Messages	Raul G. Bradecina Maria Asuncion V. Oronan	1
Keynote Addresses	Milagros C. Morales Hsu-Sen Chen Teruyuki Shinbo	2
Symposium Proceedings		
Marine protected areas and integrated management of coastal and ocean resources	Hiroyuki Matsuda, Darien D. Mizuta, Eirini I. Vlachopoulou, Mitsutaku Makino	5
On-farm trials of phytoandrogen for sex inversion of tilapia	Plutomeo M. Nieves	8
Evaluation of lying-in hatchery concept as resource enhancement strategy for swimming crab	Plutomeo M. Nieves	14
Diversity, species composition, and richness of marine fish fauna in Isabela Waters, Philippines	Angel B. Encarnacion, Melanie A. Calicdan-Villarao, Milagros C. Morales	21
Impact of MPA management variations on fishing income and movement in poverty among fishing households in Lagonoy Gulf, Philippines	Raul G. Bradecina	31
Socioeconomic assessment of small-scale fisheries of Naro Island, Masbate: with focus on the scallop fishery	Raul G. Bradecina, Victor S. Soliman	43
Coral reef assessment in selected marine protected areas in Albay, Philippines	Christian D. Cabiles, Antonino B. Mendoza Jr., Ronnel R. Dioneda Sr., Victor S. Soliman	50
Density distribution of blue crab (<i>Portunus pelagicus</i>) larvae with implications to the lying-in concept of stock enhancement	Aldrin Mel B. Macale, Simon G. Alcantara, Plutomeo M. Nieves	54
Biology and population dynamics of bullet tuna (<i>Auxis rochei</i>) and frigate tuna (<i>Auxis thazard</i>) in Babuyan Channel, Philippines	Melanie A. Calicdan-Villarao, Angel B. Encarnacion, Evelyn C. Ame, Milagros C. Morales	63

Proceedings Mini Review		
Recent progress of molecular cytogenetic study on scleractinian (stony) corals	Takahiro Taguchi, Erika Tagami, Takuma Mezaki, Satoko Sekida, Yalan Chou, Keryea Soong, Kazuo Okuda, Akira Tominaga, Satoshi Kubota	73
Outline of the 10th International Kuroshio Science Symposium		
82		
Cross-Border Education Session: Integrated Management of Coastal Resources by Marine Protected Areas		
Review	Plutomeo M. Nieves	89
Reports of Participants	Emma L. Ballad Renan U. Bobiles Alvin P. Monotilla Cui Jianjun Tien-Yi Chen Tran Trung Thanh	90
Impression of the 10th International Kuroshio Science Symposium		
95		
Hsu-Sen Chen Takahiro Taguchi Osamu Miura Tran Trung Thanh Cui Jianjun Alvin P. Monotilla		
Research Paper		
Effects of water temperature, dissolved oxygen and body mass on the metabolic scope of larvae and juveniles of the nigorobuna carp, <i>Carassius auratus grandoculis</i>	Hiroki Yamanaka, Motomi Genkai-Kato, Yukihiro Kohmatsu	97
