

Kuroshio Science Vol. 18 No. 1 (October 2024)

CONTENTS

Opening Remarks	Raul G. Bradecina	1
Keynote Lecture		
The Kuroshio Current's impact on Spanish maritime policies in the Philippines and their expansionist agenda in Asia (1521-1898)	Danilo Madrid Gerona	4
Research Papers		
Effects of seawater temperature fluctuations on local communities through kelp production in the Pacific coastal area of eastern Hokkaido, Japan	Sayaka Ito, Hiroshi Kuroda, Toshihiro Onitsuka, Natsuki Hasegawa, Hiroki Fukuda, Norio Shirafuji	14
Occurrence data requirements for accurate habitat suitability modeling of <i>Rattus everetti</i> (Philippine forest rat) and <i>Rattus tanezumi</i> (Asian house rat) using the maximum entropy (MaxEnt)	Diane Shiela C. Castillo, Motoki Higa	23
Diet composition of the fringescale sardinella (<i>Sardinella fimbriata</i>) found in Malampaya Sound, Palawan, Philippines: a preliminary study on the feeding habits	Jesusito A. Vicente, Herminie P. Palla	34
Seasonal variation in the composition and abundance of the current benthic macroalgae in Lagonoy Gulf, Bicol Region, the Philippines	Alex P. Camaya, Kristine C. Borlagdan, Michael C. Borejón, Jerome C. Borlagdan, Antonino B. Mendoza Jr.	44
The Great Pacific Garbage Patch and countries in the Kuroshio Current Region: existing regulations and prospects	Bo-Shian Wu, Pei-Lun Tsai, Ming-Hao Yang	55
Microplastics in the surface water, sediments, and mud crabs (<i>Scylla serrata</i>) from Gimaloto Mangrove, Sorsogon City, Philippines	Helen Gail P. Embudo, Ian Harold N. Milano, Welaiza P. Santua, Charmaine A. Malonzo, Ivane N. Malaluan, Jeffrey D. Peregrino, Raymond R. Regalia	62
Spatial distribution of marine macroalgae on selected areas in Mabini, Batangas, Philippines	Joy S. Elias, Era May. Gueriña, Adrian M. Martija, Jayvee Ablaña Saco	75
Symposium Proceedings		
Verification of shark finning in a tuna marine stewardship certified fishing ground in Lagonoy Gulf, Philippines	Plutomeo M. Nieves, Marietta V. Calacal, Raisa Pandan	83
Stock assessment of exploited engraulid population (<i>Engraulis mordax</i> , Fowler, 1938) in Babuyan Channel, Philippines and its implication to fisheries management	Melanie C. Villarao, Rea Mae Casco, Angel B. Encarnacion	88

Performance evaluation of red tilapia (<i>Oreochromis Sp.</i>) in ponds and cages in brackishwater area in Cagayan, Philippines	Evelyn C. Ame, Riza I. Undiana, Florence R. Tuliao, Isagani P. Angeles, Jr.	99
Coastal resource governance in Catanduanes Island, Philippines	Sonia R. Vargas-Sapico, Patrick Alain T. Azanza, Kristian Q. Aldea	107
Economic analysis of abalone fishery in Lahuy Group of Islands, Caramoan, Camarines Sur, Philippines: when fishing is not for making fortunes, but for sustaining a cultural institution of sharing	Raul G. Bradecina	118
Intermediate impacts of abalone resource management project's social marketing and advocacy campaigns on knowledge, attitude and perceptions of fishers in Lahuy Group of Islands, Caramoan, Camarines Sur	Patricia M. Candelaria, Raul G. Bradecina	125
Assessment of capture fisheries in coastal waters surrounding Lahuy Group of Islands, Caramoan, Camarines Sur, Philippines	Raul G. Bradecina, Patricia M. Candelaria, Luisa M. Lanciso	138
Formulation, physicochemical evaluation, and microbiological analysis of herbal ointment from dried leaves of Piper betle (L.) (buyo)	E. Tribiana, W. Tapas	152
Growth performance of transplanted green mussel (<i>Perna viridis</i>) using modified long line method in Tagkawayan, Quezon	Jofren R. Moreno, Sherrlyn U. Magdame, Bhejay R. Montenegro, Vincent D. Majan	156
Microplastic pollution in the sediments of Cabugao Bay, Catanduanes Island, Philippines	Karmela I. Del Rosario, Ma. Cecilia Tiu-Arcilla	168

The 16th International Kuroshio Science Symposium Program		174
