

# Kuroshio Science Vol. 9 No. 1 (October 2015)

---

## CONTENTS

---

Foreword	President of Kochi University Hiroshi Wakiguchi	1
Opening Remarks	Hirokuni Taguchi Houng-Yung Chen Fay Lea Patria M. Lauraya Hiroyuki Matsuda Akihiro Takemura Milagros C. Morales Yoshiaki Iiguni	2-5
Messages		
Academic Linkages Through the Kuroshio Current	Rhodora V. Azanza	6
Keynote Reports		
Cross-Border Education in Kuroshio Region	Fay Lea Patria M. Lauraya Maureen Mamansag-Maceres	7-12
Proceedings Special Reports		
Reproductive Biology of Christian crabs ( <i>Charybdis feriatatus</i> , Linnaeus, 1758) in San Miguel Bay, Philippines	Plutomeo M. Nieves, Nelson R. Olfindo, Aldrin Mel Macale	13-16
Stargazers (Uranoscopidae) have exceptionally more bile	Hsu Jung-chen, Hin-Kiu Mok	17-26
Cross-Border Education	Sonia Yiching Huang	27-29
Proceedings Mini Review		
Environmental Control of Annual Reproductive Cycle and Spawning Rhythmicity of Spinefoots	Akihiro Takemura, Yuki Takeuchi, Taro Ikegami, Sung-Pyo Hur, Victor Soliman, Felix Ayson, Evelyn de Jesus-Ayson, Endang Sri Susilo	31-38
The Beauty and Sorrow of a Tropical Paradise: Anthropogenic Pollution in Coastal Water of Kenting National Park, Taiwan	Te-Hao Chen	39-44
Biodiversity in the Kuroshio Region: Challenges and Trends in the Upstream	Kristian Q. Aldea, Minerva I. Morales, Aurora E. Arajo, Jimmy T. Masagca	45-56
Suppression of eosinophilia by <i>Petalonia binghamiae</i> polysaccharides may relate to their eotaxin-binding ability	Akira Tominaga, Yuko Konishi, Takahiro Taguchi	57-64

<b>Research Paper</b>		
Sonic-muscle proteomics of ophidiid, glaucosomatid, pempherid and terapontid reveals the physiological and phylogenetic constraints to the sound producing structures	Titisari Dian Pertiwi, Wen-Yao Tzeng, Hin-Kiu Mok, Kuo-Hsun Chiu	65-79
<b>Summary of the Symposium</b>		
Network Formation of the Kuroshio Universities through Cross-Border Education	Akira Tominaga	81-82
<b>Impression of the Symposium</b>		
Strengthening Collaboration through Distance Education and Research Extension	Alex Pulvinar Camaya	83-85
<hr/>		
<b>Editorial Policy and Instructions for Authors</b>		86-87
